# How it works

iGive is a **free service** to causes and members

**SHOPPING:** It's all automatic! You don't need to enter any codes, notify the store, or iGive. When iGive members shop via our special links (starting at the **iGive.com** web site, the iGive **Newsletter**, or having installed the **iGive Button**), tracking enables us to identify the purchases of each individual iGive member with a member ID number. Causes always receive 100% of the donation amount which is advertised on our web site (iGive.com receives fees separately from the amounts that go to the cause).

**SEARCHING:** Raise money for **Resounding Joy**, every time you search our **Web** tab! When you use the iGive search engine for internet searching, your favorite cause receives **\$0.01 (or more) per qualified search**. The money comes from advertisers, so it costs you nothing, and it's completely free for you and the cause you support. Our remaining search tabs allow you to narrow your searches.
